How To Pay for Our Services?

VETERAN AID & ATTENDANCE

Veteran Aid and Attendance is a tax-free benefit distributed to eligible honorably discharged veterans or their surviving spouses. Those approved for benefits will receive a monthly check as a reimbursement for the cost of home care services. We can help you apply for these benefits with the VA and in most cases start providing care while waiting on approval from the VA.

HOMEMAKER & HOME HEALTH AIDE PROGRAM (VA Community Care Network)

Veterans who qualify for VA Healthcare can receive in-home caregiving as part of their VA healthcare coverage. You simply request an evaluation from your primary doctor and let them know you'd like to add Veteran Care Companions as your caregiving provider.

INDIANA PATHWAYS FOR AGING

This is a managed care program offered by the State of Indiana that covers the cost of in-home caregiving services for income eligible Hoosier seniors and disabled persons of any age.

PRIVATE PAY

Veteran Care Companions offers highly competitive private pay rates to ensure that every veteran has access to professional, compassionate, and affordable home care. We can work with you and your family to design a care plan to meet your needs.
